

# Fresh Cut Flowers

Biobrand Invest (PTY)Ltd is exclusive producer and supplier of a new soft drink made out of Natural Rose Extract.

Due to our strong relation with Bulgaria – “The land of the roses” we have a first-hand opportunity and know-how for secretive recipes involving natural extract of roses and other different flowers.

**Based on the knowledge of our CEO and his mutual interest in the marketing of fresh cut flowers, we can also offer you different services in:**

- 1.) Import/Export and wholesale of fresh cut flowers true one of our related company’s MIKE SCORPIO EXP/IMP CC and FLORAFLEX CC
- 2.) Consultations in how to start your own business in the export/import of flowers
- 3.) Consultations in how to choose what to grow as a potential flower grower
- 4.) How to explore the difference in climate change around the world and turn this in to a profitable business.
- 5.) How to create job opportunities and encourage people to explore their visions.
- 6.) Putting you in contacts with any place in the world where you like to explore the possibility of importing or exporting fresh cut flowers.
- 7.) Education courses for playing real time on the flower auctions here in RSA and abroad.
